What are the aims of the CCA programme?

At ACS (International), our Co-Curricular Activities (CCA) aim to **nurture all-round student development** by offering a wide range of sports, arts and interest group activities. These activities help students to realise and fulfill their potential outside of the academic field.

Our CCA programme also encourages **International Mindedness** and **Global Citizenship** by providing opportunities for students to engage in activities that promote empathy, inclusivity, and mental health awareness, both locally and globally. Through these experiences, students not only develop their talents but also cultivate a deeper understanding of the world, preparing them to be compassionate, responsible global citizens.

What is different about the CCA programme at ACS (International)?

In contrast to a traditional CCA programme (typically offered in MOE schools), CCAs at ACS (Int) are scheduled in a way that allows, and encourages, students to express themselves in a variety of different contexts.

- Students can engage in multiple CCAs throughout the year and are free to change their CCAs annually if they wish.
- The Art & Interest groups CCAs run continuously throughout the year, whereas the Sports CCAs run on a seasonal basis.
- All CCAs are free at the point of entry (students may need to purchase specific equipment/attire or pay for events such as trips or excursions).

What are the expectations?

School Expectations

- Maintain excellent levels of attendance, with a minimum of 70% for CCA to be recorded in End-of-Year report.
- Approach the CCA with enthusiasm and proactivity, consistently putting forth their best effort.
- Take on leadership roles within CCA to foster personal growth and responsibility.

Student Expectations

- CCAs will be fun, engaging and progressive
- Access to high-quality resources, support, and competition.
- Achievements will be celebrated and recognised within the school.
- Students will have opportunities for leadership within their CCAs.

What else do I need to know?

- Students are required to participate in at least **one CCA throughout the year** *(Year 4 and Year 6 students may be exempted from CCAs in Semester 2).*
- The school manages the CCA programme through the “SchoolsBuddy” platform. Students and parents can only sign-up for CCAs using their SchoolsBuddy account. All sign-up confirmation, allocation, attendance and CCA communications will be done through this platform. *(more information on SchoolsBuddy will be provided at the end of this presentation)*
- Students that are invited to join school leadership groups such as **school prefects, student council, sports council and ambassadors** can use this commitment as a CCA equivalent *(please note that these groups are not available for CCA sign-ups)*

Key Dates

- **Thursday 16th January:** Virtual CCA Fair Presentation in House Tutor rooms. Art and Interest Group CCA sign-ups open on SchoolsBuddy at **8:30am**.
- **Tuesday 21st January 12pm:** Arts and Interest Group CCA sign-ups close on SchoolsBuddy. Students and parents should finalise their choices and submit before this deadline.
- **Thursday 23rd January:** CCA allocation process is finalised. Confirmed CCA allocations sent out for Arts and Interest Groups.
- **Monday 3rd February:** CCAs begin for Arts and Interest Groups.
- **Monday 5th February:** Sports CCA sign-ups open for ACSIS Season 3.
